EX-GOV. OATES.

Kills a Negro Murderer in His
Kitchen.

The Negro Had Killed The Cook
And Was Advancing With a
Pistol On Gov. Oates.

Montgomery, Ala., June 9.—Ex-Gov. Wm. C. Oates shot and killed a negro man in his residence in this city to-night. He heard a pistol shot in his kitchen, and on going to investigate found his cook lying dead on the floor, killed by a negro then in the room. The negro who did the killing then started toward Gov. Oates with his pistol in his hand. The negro not paying any attention to warnings not to advance, Gov. Oates shot and killed him.

COUNCIL MEETS.

No Attempt Made to Appoint a
Police Judge.

The City Council held an adjourned session Friday night to transact some unfinished business.

The levy for 1900 was put at the same figures as 1899, 75 cents on the \$100 for general purposes and sinking fund and 50 cents for school purposes on whites. (The poll tax is \$1.50 and \$2.00 for school purposes on whites alone.)

Three new electric lights were put in—at the Seventh street L. & N. crossing, at the Ninth street crossing and at the I. C. depot.

The new street between Dr. Blakey's and Mr. J. W. Campbell's was accepted by the city and the deeds filed.

Ed P. Fears, Lee Tunks and H. G. Renshaw were appointed firemen to fill the vacancies in the department.

Contrary to expectation the election for police judge did not come up. A majority of the Board claims the Council has power to elect, but they had been unable to agree in caucus on a man and the matter went over.

QUARLES CAPTURED.

Wanted For Wounding With In-
tent to Kill.

Officers Burns and Morris arrested Jeremiah Quarles, col., Saturday night and locked him up. Quarles is wanted for shooting and wounding another negro near Howell one evening last week. The grand jury will investigate the matter at once.

The wounded man, although shot twice, once in the arm and side and once in the chin—is getting well, and will be able to testify.

OUTCLASSED NEIGHBORS.

Local Team's Easy Victory Over
Madisonville Nine.

In the game of ball at Madisonville Friday between the local nine and Madisonville team, Hopkinsville "won in a walk," the score being 17 to 6. Our neighbors were clearly outclassed, but the game proved a very interesting one and was witnessed by a large crowd. A number from this city went down to see the game. C. Eggleston and E. Morris made up the home battery and Jenkins and Tapp that of Madisonville.

ELOPEMENT AT LAFAYETTE.

Clark Ragsdale Runs Off With
Miss Lycan.

Mr. Clark R. Ragsdale, of this city, who is in the tobacco business at Lafayette, eloped on Saturday night to Dover, Tenn., with Miss Lycan, a daughter of J. C. Lycan, of Lafayette, the well-known miller. The details of the Dover end of the affair have not been received.

OVER THE STATE.

Thursday's Convention Will Be
a Love Feast.

Blackburn, McCreary and Mc-
Quown Have Many Instruc-
tions For Delegates.

Louisville, June 11.—County mass-conventions were held Saturday all over the State for the purpose of electing delegates to the Democratic State Convention to be held here next Thursday. The delegates selected will hold congressional district conventions Thursday morning, and name two national delegates from each district. The State Convention later in the day will select four men to represent the State-at-large in Kansas City on July 4.

The county conventions were harmonious, and resolutions were generally adopted indorsing W. J. Bryan and the Chicago platform. In instructions for delegates-at-large Senator-elect J. C. S. Blackburn, ex-Gov. James B. McCreary and Mr. Louis McQuown seem to have a good deal. Only in Franklin and Campbell counties were there any disturbing features, local issues causing disagreements.

DEATH OF MISS WEST.

Succumbed to Attack of Consump-
tion, Resulting From
Pneumonia.

Miss Myna Mai West, daughter of Mr. W. C. West, died at her home on West Nineteenth street Friday afternoon, after an illness of seven weeks, of quick consumption. She was twenty-three years old and universally popular.

About ten years ago she had diphtheria and for many weeks it was thought that she would not recover, but she finally rallied. One lung refused, however, to thoroughly yield to treatment and this had since given her much trouble. The last week in April Miss West was attacked with pneumonia, resulting in consumption, which caused her death as stated above.

She was a member of the Baptist church and the funeral was preached at her late residence by her pastor, Dr. C. H. Nash, at 9 o'clock Sunday morning. The interment followed at the Brick church, near Sunning Fork, at 11 o'clock.

DIED IN FLORIDA.

Remains Brought to Christian
County For Interment.

Mrs. R. A. Lovier, a daughter of the late Thaddeus Wright, of Sinking Fork, this county, died at her home in Lake City, Fla., last Thursday night, after a long illness. She leaves a husband, two sons and a daughter. The remains arrived in this city Saturday night and were laid to rest in the family burying ground, near the Brick Church, Sunday morning.

Mr. Lovier formerly lived here, but he moved to Florida about four years ago, where he is engaged in the jewelry business.

AFTER BRIEF ILLNESS

Son of Mack Hall Succumbs to
Bowel Trouble.

Robt. Hall, the year-old-son of Mr. Mack Hall, died at the home of its parents in this city Thursday night, after an illness of two weeks, of bowel trouble. The remains were laid to rest in the Johnson grave yard, just northeast of the city, Saturday. Mr. and Mrs. Hall have the sympathy of a host of friends in the loss of their little son.

Died in Hopkins.

Mrs. Mattie L. Littlefield, of Morton's Gap, died Saturday of consumption. Her body was brought here Sunday for interment.

Taylor Vs. Taylor.

The "organs of assassination" have fabricated a phrase and put it into the mouths of the "Democrats to the effect that "We'll hang Taylor and damn the Republican party." No such expression has emanated from the lips of any Democrat. It is the purest invention of the "organs of assassination."

It is not at all necessary to "hang" Taylor in order to "damn" the Republican party—in Kentucky. It is already "damned" beyond the hope of salvation in this life, or of resurrection in the life to come. Taylor, himself, attended to that. All by himself, with his little hatchet, he made the coffin, dug the grave and supplied the corpse.

When, he, and his orators, predicted a "Reign of Terror," conspired to bring it to pass, they "damned" the Republican party.

When they corralled the ruffians in the mountains and brought them to Frankfort, making the threatened Reign of Terror even more hideous than had been predicted and anticipated, they "damned" the Republican party.

When after the murderous shot had been fired from the executive building, occupied by Taylor and his friends, swarming with his mountain thugs and surrounded by his pretorian guards, Taylor refused access to the police authorities, and held his blood-stained fortress three days and nights against the civil process of the law, including the sacred writ of habeas corpus itself, he "damned" the Republican party.

When he chased the legislature through the streets of the state capital he "damned" the Republican party.

When he called it to meet in the very heart of the assassin country in order that the Democratic majority might be murdered down to a minority, he "damned" the Republican party.

And, finally, when he began parading marauders out of prison, in advance of trial, to end by spiriting out of reach of the officers of the law adherents against whom warrants of arrest had been issued, disguised as soldiers and carrying both money for flight and pardon for protection, he "damned" both the Republican party and himself.

What is the good of hanging him? Who really wants to hang him? He is better for the Democrats living than dead. We may keep him as a never-failing horrid example.

But, if this wretched man finds himself in an equivocal position, he is nobody but to blame for it; nobody to thank for it except himself; because he has been the sole author of the incriminating evidence against him; by his acts his chief accuser.

He is either a guilty man, or his mind has been upset by these troubles. No innocent man with a spoonful of dignity, or of common sense, would pursue the course he has pursued. His very absence at this time exposes him to all manner of reasonable suspicion. His place is not in Washington, or in New York; it is at Frankfort. He required no personal interview with any lawyer, or lawyers. All that lay within the competency of his attorneys. An innocent man would in the very outset have bravely faced his accusers. He would have come out from hiding even if he had been so foolish, or so cowardly, as to hide in the first place. He would have courted the fullest investigation. He would have said: "I care nothing for the office, but you must not suspect me of crime." In a word he would have thrown himself at once upon the side of the law, under the protection of the law and in the support of the officers of the law. Instead of this Taylor did all that mortal man could do to thwart the law, to defy the law, and to baffle the officers of the law. And there are men in this city calling themselves Christians and mistaking themselves for good citizens, who, oblivious to all these things, have raised a fund to help him to defeat the ends of justice under the pretext of defending an innocent man. Alas, for human infirmity! Surely passion and folly, prejudice and party spirit, can go no farther in the downward course toward all that is abominable, except when they reach the actual abyss of the bottomless pit.

We repeat that there is no danger whatever of Taylor's being given a fair trial. Outside the "organs of assassination," blood is nowhere in the air. Nobody, except the murder-editors, would hunt down anybody. We have had violence enough. We want order and law. We want justice. We want peace. And as Old Hickory would observe, by the Eternal, we are going to have them!—Couriers Journal.

DEMOCRATIC TICKET.

For Congress, Second District.
HON. HENRY D. ALLEN.

The Lewis and Beckham forces had a trial of strength in the Franklin county convention Saturday and the young Governor won an easy victory over the old General.

Editor A. J. Casey is at the head of a stock company that has bought the Guthrie Graphic. Mr. Casey has conducted papers in Russellville, Owensboro and other places.

Urey Woodson has a lead pipe cinch on reelection for National Committeeman. If any Democrat in the State is opposed to him, he has not made public his opposition.

Hon. B. F. Shireley, of Indiana, is said to be on the preferred list of Democrats who are to be considered as Vice-Presidential timber. Henderson county Democrats got in on the ground floor of his boom Saturday by instructing for the Indiana statesman.

A year ago Judge Jas. P. Tarvin was making a red-hot race for Vice-President. Last Saturday he was put on his home delegation as a matter of courtesy, with his hands securely tied. The Judge was one of the Democratic leaders who failed to make a flat track last year when the fight for Democratic supremacy in Kentucky was on.

Dr. John D. Clardy, of this county, has received a good many letters from prominent Democrats urging him to run for Governor. Last week he received one from Mr. Geo. N. Jesse, of Washington, pressing the matter upon him. Dr. Clardy will under no circumstances be a candidate. He has no desire to re-enter politics. He is now past 70 years of age and the measure of his political ambition, as he now feels, has been filled. He desires to end his useful and honorable life in peace and quietude on his fine country estate and he cannot be tempted to leave his farm. This much is written by authority and let it be understood once and for all that Dr. Clardy will not again be a candidate for any elective office.

Hon. Jas. D. Black, of Barbourville, Knox county, who is one of the four formally announced candidates for Governor, is one of the strongest leaders of the Eleventh district. He is a lawyer of recognized ability and a speaker of force and eloquence. In 1893 he served on the Kentucky State Board of World's Fair Commissioners with Dr. J. D. Clardy and Hon. John W. Yerkes, the present Republican candidate for Governor. Every Kentucky visitor to Chicago remembers the affable, genial gentleman who was always on hand at the Kentucky building to extend courtesies to all alike. Judge Black is about 50 years of age, has dark hair, eyes and moustache and a pleasant address. He is a "good mixer" and has the knack of making friends wherever he goes. He will be a leading factor in the coming contest.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven it a blood and constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and cures the mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Nine commonwealth cases, old charges, dismissed.
Case of Commonwealth vs. Major Gaither, malicious shooting, was filed away. Gaither being in the penitentiary on another charge.

The murder trial of John Robertson, for killing his brother, Geo. Robertson, col., at Crofton, was taken up Friday. T. L. Yonts, Frank Cayce, John Sergeant, Wm. Henderson, E. J. Faulkner, G. H. Boyd, H. H. Lindsay, Lee Witty, W. S. Witty, H. C. Myers, S. E. Chastain and J. J. Bowen were empaneled as a jury to try the case.

The trial occupied two and a half days. The main trial is a Crofton negro who shot and killed his brother, George Robertson, a colored school teacher, shooting him in the back with a shot gun. It is one of the worst murder cases that has been on trial here for years. Robertson was defended by John Feland and Esq. Geo. H. Myers, who spoke Saturday, and by C. H. Bush, who closed for the defense yesterday and was followed by Commonwealth's Attorney Howell, who concluded a very strong prosecution and gave the case to the jury at noon.

STAMP TAX DECISION.

Test Case Sent Up From Cleveland, Ohio.

The Commissioner of Internal Revenue has ruled that one special tax stamp taken up by a retail liquor dealer for his building covers his sales of liquor by retail at any number of bars in rooms or on premises belonging to that building. The case came to his attention on the inquiry of Collector McCord, of Cleveland, Ohio, on his report that a retail liquor dealer had a bar on the first floor and also in the basement of his premises.

Little Boy's Bad Accident.

Montgomery, Ky., June 11.—A six-year-old son of Harry Stewart fell from a chair Sunday and broke his arm in such a way that it is feared he may lose the use of it permanently. It is broken entirely off just above the elbow.

Gibson Pictures.

The Gibson pictures will be presented in the Chapel of Bethel College one night next week, by the younger society people, for the benefit of the college.

The Chinese Boxers who are about to bring on the long-expected European war over the dismemberment of China, are a set of pig-like fighters who use their fists and clubs to mistreat and often to kill missionaries and other foreigners, with the tacit approval of the old Dowager Empress, now 65 years old, who two years ago took the reins of government out of the hands of the young Emperor. The Empress is making a feint at suppressing the Boxers, but all of the nations are sending forces of their own, for the present at least acting in concert, to look after their own interests. The United States has ordered several warships to the scene. The danger to be feared is an outbreak between Russia and Japan.

AT A RIPE OLD AGE.

Rolly M. Rohrer, a Pioneer Stage Driver, Dies in Kentucky.

Russellville, Ky., June 10.—Rolly M. Rohrer, aged 94, died last night. He died in the house in which he was born, which is located one mile from this city. Years ago he drove a stage coach between this city and Nashville. Up to a year ago he worked on his farm regularly and could do a good day's work.

SUSPECT RELEASED.

First Thought to be Member of The Nashville "Gang."

George Pattison, col., was arrested in the city Friday as a suspect. He was kept in custody for several hours and was then released. It was at first thought that he was a member of a gang of cat-breakers who have for some time been operating in Nashville and at other points along the L. & N. road.

ELABORATE MENU.

C. & O. Dining Car Service Unexcelled by Largest Hotels.

The popular C. & O. road has established a dining car service on its F. V. limited trains between Louisville and Lexington with an elaborate menu which is published below for the benefit of KENTUCKIAN readers.

On all the other divisions of this road the table d'ote service has been in operation for years and has proven a great benefit to the traveling public. Now that passengers going over this division will have the benefit of the only a la carte service between the above mentioned cities it is safe to say that the effort to please in this direction will meet with popular favor by the immense travel over that line.

It will be observed that the menu embraces nearly all of the palatable dishes of the largest hotels in the United States and the service is unexcelled in every particular.

If a dealer attempts to sell you a substitute when you ask for Hood's Sarsaparilla, his only object is to make more profit on the substitute, which is always inferior and unsatisfactory. Therefore be sure to get Hood's.

Scrofula—"For years I had scrofula sores on my back. I took many medicines without avail and thought I could not be cured. Then I began taking Hood's Sarsaparilla and it entirely cured me. My health is now perfect. I am a trained nurse, and recommend Hood's for all blood diseases." J. D. Torrey, 45 W. Main Street, Fredonia, N. Y.

STRIKE GROWS WORSE.

Three Men Killed in a Riot Sunday.

St. Louis, Mo., June 11.—The St. Louis street railway strike goes from bad to worse. Gov. Stephens has put everything in readiness to call out the military, which he will do as a last resort. The record of bloodshed yesterday was the worst since the strike began, over a month ago. Three men were killed—two of them strikers—by Deputy Sheriffs, and four men were wounded, two of them strikers. A rumor that proceedings are to be begun to oust Mayor Zeigler for failure to perform his duties in connection with the strike is denied by Attorney General Crow.

MAY ACT THIS WEEK.

Sheriff Suter Returns to Frankfort to Take Up the Taylor Case.

Frankfort, Ky., June 10.—There are likely to be developments in the prosecution against William S. Taylor either to-morrow or Tuesday. Sheriff Suter, whose absence at Hot Springs has held matters at a standstill, returned to-day. He said he had conferred with the local officials about the matter yet, but would do so at once, and it is understood a requisition will be applied for. Justus Goebel and T. C. Campbell, who were here several days last week conferring with Prosecuting Attorney Franklin, returned to Cincinnati last night.

IMPORTANT DECISION.

Court of Appeals Passes On Rate Discrimination Cases.

The Court of Appeals passed on five cases from Marion county, involving indictments against the L. & N. Railroad Company for discrimination in freight rates, and decided in favor of the railroad. The Court was decided, Judges Hazelrigg, Barnam, Durelle and Hobson concurring in the majority opinion, while Judges White and Guffy concurred in Judge Paynter's dissenting opinion. The majority opinion holds that when a railroad hauls wheat to a mill and flour from it, there is no discrimination if the railroad hauls the same mill its fuel at a less rate than it charges other persons in the same town.

ECLIPSE OF MOON

Will Be Partial, But Visible Over United States.

There will be a partial eclipse of the moon to-morrow-night, visible throughout the United States. The moon will enter the shadow about 7 o'clock and come out a few minutes before midnight. The eclipse will scarcely be more than a mere contact of limbs, therefore too small for astronomers to make much account of.

SUPERINTENDENT.

How He Secured The Coveted Appointment

Was An Original Goebel Man—
Is 47 Years of Age And
Has a Family.

The news of Dr. McCormick's appointment was received with great satisfaction by his professional and personal friends in Owensboro, says the Messenger.

Dr. McCormick was never an applicant for the place. The offer of it first came from Mr. Goebel, although unsolicited and as a surprise.

Then Mr. Goebel was killed and Mr. Beckham succeeded to the governorship. He announced that he would endeavor to follow Mr. Goebel's intentions in matters of public policy and appointments. He was told of Mr. Goebel's intentions as to Dr. McCormick by Mr. Shackelford and Mr. Woodson. Dr. McCormick concluded that he was willing to take the place but he filed no formal application, nor any endorsements.

While other physicians, with their influential friends, were going to Frankfort and beseeching the governor, McCormick remained at home, and only one or two of his confidential friends knew he expected the place. Some of the most influential politicians of Daviess county wrote letters of endorsement of other physicians, not knowing that their own townsman was under consideration.

A few weeks ago the governor requested Dr. McCormick to come to Frankfort and see him. He went. Since that time there has been but little doubt in the minds of his friends that he would be appointed. On Wednesday he was again summoned by the governor to Frankfort. He went up yesterday and received his commission, returning last night. As soon as he can wind up his affairs here he will go to Hopkinsville and take charge of the asylum.

Dr. Enos B. McCormick is forty-seven years old. He is a native of Daviess county and began the practice of medicine at Masonville. For ten or twelve years he has been a resident of Owensboro, where his practice has steadily grown until he is regarded as one of the foremost physicians of the city. He stands high in his profession, both among the other physicians and the people. It is the universal belief among those who know him that he will make a most successful superintendent of the insane asylum.

intendent of the insane asylum. Dr. McCormick has a wife and three children.

The superintendents of the insane asylums are paid a salary of \$2,000 per year, and furnished living apartments, in the executive wing, with board for themselves and families.

The receiver will be another Owensboro man—J. C. O'Bryan. Mr. Goebel had no more faithful or efficient friend in this county than Bud O'Bryan, and he appreciated it. In one of the last letters Mr. Goebel ever wrote Mr. Woodson he said, in a postscript: "We must not fail to take care of Bud O'Bryan." Shortly before he died it was agreed that Bud should be the Hopkinsville receiver, and some weeks ago Gov. Beckham wrote that he would make the appointment. The receiver receives and keeps a check upon the supplies purchased by the steward.

Dr. D. E. Bell, of Gracely, was an applicant for this position and his friends believed until the appointment was made that he would win the place. He was tendered another position in the asylum by Gov. Beckham in the event another was appointed Superintendent, but the appointment has not yet been made.

Dr. McCormick is expected to come to the Asylum one day this week, probably today, and remain only a day or two. He will not return to enter upon his duties for ten days or two weeks.

BECKHAM'S STATUS.

He Is In Reality Lieutenant Governor and Not Governor.

Many questions have been asked as to the status of Gov. Beckham, since the decision of the Supreme Court. Is he Governor or is he Lieutenant Governor? Will there be a Governor elected this fall? What is the status of the Republican Lieutenant Governor, Mr. Marshall? If Beckham should run for Governor and be elected, would Marshall be Lieutenant Governor or who would serve in that capacity? Can Beckham succeed himself as Governor?

Notwithstanding the decision of the Supreme Court, Gov. Beckham is not in reality Governor, but is Lieutenant Governor and acting Governor, and consequently is eligible to succeed himself. There is no provision in the Kentucky law as to filling vacancies in the office of Lieutenant Governor.

If Beckham should be the Democratic candidate for Governor and should be beaten in November, he would be acting Governor until his successor should be installed in December, and after that time he would be Lieutenant Governor until the end of the term. If he should be elected, there would be a vacancy in the office of Lieutenant Governor, with no provisions for filling it. The presiding officer of the Senate, at present Senator Carter, of Anderson county, would perform the duties of Lieutenant Governor. Mr. Marshall is entirely out of the game since the decision of the Supreme Court, and is simply a private citizen, like the rest of us.—Winchester Democrat.

Mr. John H. Harrison, of Virginia, who spent several days of last week with his brother, Dr. Edmund Harrison, left Saturday for his home, not far from Richmond.

COUNTY CONVENTION.

Enthusiastic Gathering Of Democrats Held Saturday.

List Of Delegates Appointed—Instructions For State And District Delegates.

The Democrats of Christian held a very harmonious convention Saturday afternoon. The meeting was in the City Court room, as Judge Cook was in the midst of an important murder trial and could not adjourn court. Chairman Garrett called the meeting to order and on a motion was elected chairman of the convention. No committees were appointed, the resolutions being offered from the floor.

On motion of Mr. Hunter Wood the chairman was authorized to appoint 16 delegates and 16 alternates to the Louisville convention, the delegates to vote as a unit.

On motion of Mr. Geo. V. Green the delegates were instructed to vote for Chas. M. Meacham for district delegate and for Jas. B. Allensworth for district elector.

On motion of Judge Geo. F. Campbell, instructions were given for Jno. K. Hendricks, Jas. B. McCreary, Louis McQuown and Chas. B. Poyntz for delegates from the State-at-large.

The chairman then announced the following list of delegates: Delegates: Alternates: W. J. Chiles, J. T. Wall, Dr. J. D. Clardy, W. L. Parker, J. B. Allensworth, John Childress, Chas. M. Meacham, Jamie Garrett, Geo. F. Campbell, Albert Kelly, A. W. Wood, W. H. West, Gordon Nelson, A. B. Long, W. A. Wilgus, Edgar Elgin, Dr. W. Lackey, Buckner Leavell, Joutett Henry, W. W. Radford, M. F. Crenshaw, Albert C. Cox, W. C. Bell, R. Y. Pendleton, Jr., Ed C. Waide, Phil Gaither, J. T. Hanbery, John Chilton, Jeff Morris, W. T. Vaughn, C. H. Bush, R. M. Hurt.

Stirring speeches were made by Dr. J. D. Clardy, Judge Geo. F. Campbell, and Mr. Jas. B. Allepsworth and the convention adjourned.

NEW DEPOT.

The Illinois Central Will Erect A New Freight Building.

The I. C. Railroad Company is preparing to make some very extensive improvements on the river front. The vacant space between the railroad and the river is now being graded and raised and several new side tracks will be put down. But the most important improvement will be the erection of a large new freight depot covering almost the entire square between the present depots. This will more than double the road's freight capacity and bring the agent's office close to the passenger depot, which will itself be a great convenience.

HARVEST AT HAND.

Many "Treshes" Contain Five Dr. Stites Will Use One to Illustrate His Remarks.

Several farmers in South Christian commenced yesterday to harvest their wheat and by the last of the week the work of cutting will be pretty general. The heads of the wheat are of average length and are said to be above the average in number of grains to the "mesh," some of them showing four or five. Much of the heavy wheat has been badly bedded by the continued wet weather and some of this, especially in the bottom lands, will be lost. It is claimed by some that wheat damaged by the Hessian fly was greatly benefited by threshing. This being true the loss by "bedding" will probably be offset. While there has been some complaint of rust, it is not believed that the grain has been damaged to any great extent.

It is estimated that this year's crop will run from fifteen to thirty bushels to the acre.

With good weather for harvest and threshing new wheat will be on our market in about two weeks.

GRASTY FOR DELEGATE.

Trigg Democrats Have a Rousing, Old-Time Love Feast.

Cadiz, Ky., June 11.—Trigg county Democrats had an enthusiastic, old-time Democratic love feast Saturday. Many gold Democrats and other dissatisfied voters accepted the invitation and returned to the fold.

Resolutions were adopted endorsing the Chicago platform and instructing for Felix K. Grasty for district delegate in the strongest terms.

The following lengthy list of delegates were appointed:

A. C. Burnett, W. J. Hopson, D. P. Smith, Geo. S. Gaines, Jno. W. Kelly, W. T. Brown, Penton Sims, G. B. Bingham, F. K. Grasty, Jas. B. Garrett, R. W. Roach, Geo. W. Quick, Ed Goodwin, Wm. Blank, I. P. Turney, Alex. Wallace, J. M. Ross, J. P. Weller, E. E. Wash, G. S. Dunning, Homer Blaine, Henry R. Lawrence, B. W. Cherry, W. J. Mitchell, T. B. Saunders, Geo. Allen, R. C. Kennedy, L. J. Wallace, Archie Boales, Sir Cunningham, Robt. Gillihan, H. S. Dunningham, Bally Matheny, W. B. Johnson, Cleo Wood, W. V. Gardner, Eli Green, Wm. H. Hooks, Dan Bridges, Geo. Dawson, Ed Harrel, Bub Joiner, Al Crenshaw, Almont Dawson, C. W. Ledford, L. H. Averitt, W. B. Waddington, John Armstrong, Ed Brandon, T. T. Watson, J. W. Darnell, T. R. Wallace, J. C. Bentley, Ot. Tart, Robt. Crenshaw, C. S. Jefferson, Cordis Creekmur, G. A. Shoemaker, Wm. Wharton, Lee Davis, E. H. Cunningham, H. C. Vinson, N. M. Martin, W. J. Martin, C. A. Chapell, Alf Thomas, Bud Thomas, and all others who accept the call.

It was a thoroughly harmonious convention and the Democracy of Trigg is more thoroughly united than for several years.

HOMING PIGEONS.

Fifty Carriers Made a Dash For Alexandria, Ind.

Mr. C. O. Crown, agent of the American Express Company, on Sunday morning released fifty homing pigeons from Alexandria, Ind., received the night before. They lost but little time in starting out due north. Alexandria is about 350 miles north and the birds were expected to cover the distance in about five or six hours. One of the pigeons, whose band number was 66, seemed to be an old hand at the business. He pushed his way to the door of the coop, was the first bird out and after circling around once took the lead considerably in advance of the others. A report of the arrival of the birds had not been received by Mr. Brown yesterday.

MAJORITY FOR MEETING.

Committee to Meet and Decide Upon Date.

At the Henderson District Conference, held in Earlington last week, after a spirited debate it was decided to hold a camp-meeting at Seebree Camp grounds this year. Strong opposition was offered, but a majority of the delegates voted in favor of holding the meeting. The committee will shortly meet and decide upon the date of the meeting.

TAYLOR OUT

And Yerkes In The Race For Governor.

Fugitive Issues a Card—Mr. Yerkes Takes His Candidacy public.

Danville, Ky., June 7.—When telegrams were received here this afternoon announcing that W. S. Taylor would decline a renomination for Governor at the hands of the Republicans, the Courier-Journal correspondent conveyed the news to the Hon. John W. Yerkes, and asked him if he would be a candidate for the honor. He said that he would.

Indianapolis, June 7.—As forecast to-day, W. S. Taylor has decided to remain under Gov. Mount's protection, and will seek no more favors at the hands of the Kentucky Republicans. His refusal to accept the proffered nomination for Governor is explained in the following card, which he gave out to-day:

To the Republicans of Kentucky: At one time I thought, and so announced, that if the Republican nomination for Governor were tendered to me I should not feel authorized to decline it.

But after mature consideration of all interests involved in the contest for civil liberty, and of my duty to myself and to my family, for whom I must provide, I feel that I should ask at your hands relief from the exactions which a nomination would impose.

For ten long months I have borne as best I could the burdens which have attended this great struggle. How much I have endured for freedom's sake few will ever know. In spite of all this will of the people has been overthrown and I have not only been robbed, but subjected to a merciless political persecution.

The coming campaign is one of profound importance to Kentucky. The ballot must be redeemed. The victory won last fall must again be won, and the theft perpetrated by the General Assembly fittingly condemned.

Our only possible redress must come through an appeal to the people. The campaign must be an active, aggressive one. No point should be neglected. Every friend of the sacred cause of human rights should be enlisted.

To the end that the appeal should be successfully made you should select for your candidate one who may devote all his time and energies to the prosecution of the canvass. In the light of these considerations, it is therefore manifest that some other than myself should be your standard-bearer.

I realize that many Republicans, together with some independent voters, will regret my refusal to again become a candidate. The thought of this pains me more than I can ever express, but I am sure that if these friends could realize conditions as they are, and as they are forced upon me, they would not only refrain from censure, but would heartily approve my course.

While I cannot longer be your leader in this great battle, yet I shall gladly render whatever assistance may be within my power, for I love liberty none the less because of what I have suffered for her sake.

W. S. TAYLOR.
Prevented Open Hostilities.

Taylor's decision not to return to the State was really reached Sunday, when he was visited by numerous Kentucky Republicans. It has been believed that if Taylor would return and face the indictment against him he would be given the nomination without opposition, but his desire to remain a fugitive caused the opposition to him which would sooner or later have developed in the shape of an open declaration for Yerkes. By Taylor's action in yielding to the pressure brought to bear he has prevented an open declaration of hostility against him.

A grain of sand in the eye can cause excruciating agony. A grain of pepper in place of the grain of sand intensifies the torment. The pain is not confined to the organs affected. The whole body feels the shock of that little irritating particle. It is so when there is any derangement or disorder of the delicate womanly organs. The disorder may seem trivial but the whole body feels it. The nervous system is disordered. There are restlessness, irritability, sultriness and depression. The general health of woman depends on the local health of the organs peculiarly feminine. Remove the drains, "alleviate" bearing down pains, and other afflictions of woman, and the whole body feels the benefit. Dr. Pierce's Favorite Prescription is a specific for the diseases that undermine the strength of women. It is free from opium, cocaine and other narcotics, poisons which enter into many other preparations for woman's use. It makes weak women strong and sick women well.

SESSION ENDED.

First Session of the Fifty-Sixth Congress Comes to a Close.

Patriotic Outburst in the House That Stirs Crowded Galleries to the Highest Pitch of Enthusiasm.

Washington, June 7.—Congress adjourned sine die at 5 o'clock this afternoon.

In the House, in marked contrast with the exciting incidents attending the latter struggles of the closing hours of the session, Speaker Henderson laid down his gavel at the conclusion of one of the most picturesque scenes which has ever occurred in the Hall of Representatives.

"Party passion and personal rancor, which have brought the House to the brink of actual riot several times during the last forty-eight hours, gave way in the closing half hour to good fellowship, which found vent in a patriotic outburst that stirred the crowded galleries to the highest pitch of enthusiasm."

During a brief recess taken within thirty minutes of the time fixed for the final adjournment to give the President an opportunity to fix his signature to the bills that were being rushed to him for approval, a group of members, led by Messrs. Mercer, of Nebraska; Ball, of Texas; Fitzgerald, of Massachusetts; and Tawney, of Minnesota, congregated in the area to the left of the Speaker's rostrum and began singing patriotic songs.

Cheers For Dixie.

The entire membership of the House joined in the choruses. The galleries applauded each song until the strains of "Dixie" filled the hall. Then the unbounded enthusiasm broke out in wild cheers. But the enthusiasm "Dixie" evoked was not to be compared with the remarkable demonstration which followed when, in a clear, ringing tone, Mr. Fitzgerald started the national anthem with the inspiring words: "Through the dawn's of early light."

In an instant all the men, women and children in the galleries were on their feet, joining in the singing. The Speaker, pausing as he entered the hall, raised his voice also.

The excitement produced by the scene overcame a white-haired old man in the gallery, and when the song ceased he jumped upon his seat and shouted:

"That is the song of the angels of heaven."

He was plainly a crank, but as he showed a disposition to harangue the House, he was quickly ejected.

After Speaker Henderson had made a graceful farewell speech, thanking the members for their courtesy, and had declared the House adjourned, the members testified to his popularity by singing "For He's a Jolly Good Fellow," and the newspaper correspondents in the press gallery celebrated their emancipation from the burdens of Congress by singing the "Doxology."

The House reversed its action of last night in turning down the conferees on the naval bill for yielding on the item relating to ocean surveys. It was a distinct victory for the old conferees, Messrs. Foss, Dayton and Cummings.

LEVEE GIVES WAY.

Crevasse Five Miles Above New Orleans and Plantations Are Flooded.

New Orleans, June 7.—The levee at Amesville, a settlement in Jefferson parish, and located on the right bank of the Mississippi river, five miles above New Orleans, caved in this afternoon at 1:30 o'clock. At 2:15 the break was 200 feet wide and spreading. The plantation of Sheriff J. H. Marrero, of Jefferson parish, is just behind the cave, and is inundated. The platform house floors are under water. The river is not, fortunately, very high, but the waters are rushing through the gap and serious damage may result.

Kissing is going out of fashion.

When winter comes the vital forces of nature are low, and the tree stands like a solitary monument to the dead summer. In the winter of life, active men experience a similar lowering of vitality. In some this effect is startling. They lose their grip on life. They seem like monuments of a buried past. At this crisis there is a need of a medicine which will nourish and build up the body, and increase its vital power. Such a medicine is Dr. Pierce's Golden Medical Discovery. It enriches the blood, purifies it, carries off the clogging waste of the system, increases the nutrition of the body, and produces a sound, healthy condition with abundant vital power and physical energy.

David Dagges, Esq., of Jones, Ohio, Ky., writes: "I began taking Dr. Pierce's Golden Medical Discovery I think I had persons or general deficiency of three years' duration. I took three bottles of the 'Discovery.' During the time I was taking it my system became refreshing and I gained fifteen pounds weight, and also gained strength every day. It has been six months since I took the medicine and I still feel reasonable health. I am willing to have you publish this and also my former letter if you wish, and I am willing to be named as an afflicted person I will feel well repaid."

There is no alcohol or other intoxicant in "Golden Medical Discovery," neither opium or other narcotic drugs.

The dealer who offers a substitute for the "Discovery" is seeking to profit himself, not to help you. Insist on having "Golden Medical Discovery."

Dr. Pierce's Common Sense Medical Adviser is sent free, on receipt of stamps to cover cost of mailing only. Send 21 one-cent stamps for edition in paper cover, or 31 stamps for cloth binding. Address Dr. R. Pierce, Buffalo, N. Y.
